

Deposits for Surgical Procedures

Due to the nature of our business, the fact that we must book appointment times that cannot be used for other patients, and the limited spots available for surgeries, we require a non-refundable deposit in the amount of \$300 at the time of scheduling.

We will accept cancellations a minimum of 48-hours prior to the surgery. Those cancellations can be rebooked for a later date and time.

If cancellation occurs less than 48-hours prior to the appointment, the non-refundable deposit will be forfeited entirely.

To secure a future date and time for a surgery that was cancelled with less than 48-hours' notice, a new non-refundable deposit will be required once again.
